

UNDERWRITING UPDATE

Announcing Updated Underwriting Stance on International Travel, Visa Holders and Foreign Nationals!

Effective immediately, the insurers of American General Life Companies have implemented updated International Travel, Visa Holder and Foreign National guidelines for underwriting purposes.

Highlights include:

- 46 countries or jurisdictions now approved for visa holders! (Up from 30)
- Most countries are OK for short term travel at our best rates!
- Simplified, easy-to-use guideline format!

The previous International Underwriting Guidelines document has been replaced with two new documents, which are available on eStation and in Forms Depot.

The Quick Quote desk is now armed with these new guidelines, so we're ready to run quotes for your clients.

For additional information on American General's International Travel, Visa Holder and Foreign National guidelines, please visit the [Underwriting Guidelines page on eStation](#), our producer website.

IMPORTANT NOTE: Georgia and Florida prohibit action based on foreign travel.
